Proof of Loss: Proof of loss must be provided within 90 days after the date of the loss or as soon as is reasonably possible. Failure to furnish such proof within provided period will not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to furnish such proof during that time. Proof of Loss must, however, be furnished no later than 12 months from the time it is otherwise required, except in the absence of legal capacity.

All claims require the Insured to provide Seven Corners with the following: a Trip invoice, itinerary or confirmation showing details of the Insured's Trip (dates of travel, destination, etc.); and any other information reasonably required to prove the loss.

Where to Report a Claim:

1. Mail: Seven Corners, Inc., Attn: Claims, 303 Congressional Blvd, Carmel, IN 46032 USA
2. E-mail: tourclaims@sevencorners.com
3. Fax: (+01) 317-575-2256

Payment of Claims: Benefits for loss of life will be paid to the Insured's designated beneficiary. If a beneficiary is not otherwise designated by the Insured, benefits for loss of life will be paid to the first of the following surviving preference beneficiaries:

1. the Insured's spouse;
2. the Insured's child or children jointly;
3. the Insured's parents jointly if both are living or the surviving parent if only one survives;
4. the Insured's brothers and sisters jointly; or
5. the Insured's estate.

All other benefits will be paid directly to the Insured, unless otherwise directed. Any accrued benefits unpaid at the Insured's death will be paid to the Insured's estate. If the Insured has assigned their benefits, we will honor the assignment if a signed copy has been filed with us. We are not responsible for the validity of any assignment.

All or a portion of all benefits provided by the Policy may, at Our option, be paid directly to the provider of the service(s) to the Insured. All benefits not paid to the provider will be paid to the Insured.

If any benefit is payable to: (a) an Insured who is a minor or otherwise not able to give a valid release; or (b) the Insured's estate, We may pay any amount due under the Policy to the Insured's beneficiary or any relative whom We find entitled to the payment. Any payment made in good faith shall fully discharge Us to any party to the extent of such payment.

If the Insured paid for the cost of the Insured's Trip for themselves, as well as other travelers and incurred a covered loss, benefits will be paid directly to the Insured, unless otherwise directed.

Disagreement Over Size of Loss: If there is a disagreement about the amount of the loss, either the Insured or Us can make a written demand for an appraisal. After the demand, the Insured and Us each select their own competent appraiser. After examining the facts, each of the two appraisers will give an opinion on the amount of the loss. If they do not agree, they will select an arbitrator. Any figure agreed to by 2 of the 3 (the appraisers and the arbitrator) will be binding. The appraiser selected by the Insured is paid by the Insured. We will pay the appraiser if We choose. The Insured will share with Us the cost for the arbitrator and the appraisal process.

Benefit to Bailee: This insurance will in no way inure directly or indirectly to the benefit of any carrier or other bailee.

SECTION XIII GENERAL PROVISIONS

The Contract: The entire contract is made up of the Policy and amendments if applicable, the Policyholder's Master Application, a copy of which is attached and the Certificates of Insurance. This Policy may be changed, renewed, or ended without notice to or consent of any person with a beneficial interest in this Policy.

Certificates: The Company will issue Certificates to the Policyholder for their Insureds. Such Certificates will describe each person's benefits and rights under this Policy.

Beneficiary Designation and Change: The Insured's beneficiary(ies) is (are) the person(s) designated by and on file with Us or Our administrator. The Insured is over the age of majority and legally competent may change the Insured's beneficiary designation at any time, unless an irrevocable designation has been made, without the consent of the designated beneficiary(ies), by providing Us or Our administrator with a written request for change. When the request is received, whether the Insured's is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to Us on account of any payment made by it prior to receipt of the request.

Clerical Error: We or Our authorized representative may make a clerical error in keeping the data. If so, when the error is found, the premium and/or benefits will be adjusted according to the correct data. An error will not end insurance validly in force, nor will it continue insurance validly ended.

Concealment and Misrepresentation: The entire coverage will be void, if before, during or after a loss, any material fact or circumstance relating to this insurance has been concealed or misrepresented.

Conformity with Statute: Terms of this Policy that conflict with the laws of the state where it is delivered are amended to conform to such laws.

Data Needed: We or Our authorized representative will keep a record of all the data needed to compute premium and carry out the terms of this Policy. We may examine such data at any reasonable time.

Economic or Trade Sanctions: Any payments under this Policy will only be made in full compliance with all United States of America economic or trade sanction laws or regulations, including, but not limited to, sanctions, laws, and regulations administered and enforced by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC"). Therefore, any expenses incurred or claims made involving travel that is in violation of such sanctions, laws and regulations will not be covered under this Policy. For more information, the Insured may consult the OFAC internet website at www.treas.gov/offices/enforcement/ofac/.

Entire Contract: Changes: This Policy and any other attachments are the entire contract of insurance. No agent or other person may change it in any way. Only an officer of the Company can approve a change. Any such change must be shown in this Policy or its attachments.

Excess Insurance: Insurance provided by this Policy shall be in excess of all other valid and collectible insurance or indemnity or as required by state law. If at the time of the occurrence of any loss payable under this policy there is other valid and collectible insurance or indemnity in place, We shall be liable only for the excess of the amount of loss, over the amount of such other insurance or indemnity, and applicable deductible. Recovery of losses from other parties does not result in a refund of premium paid.

Legal Actions Against Us: All Policy terms will be interpreted under the laws of the state in which the Policy was issued. No legal action may be brought to recover on the Policy within 60 days after written Proof of Loss has been furnished. No legal action for a claim may be brought against Us after 3 years from the time written Proof of Loss is required to be furnished.

Limit on Agent's Authority: No agent may change or waive any provisions of this Policy. Our office must approve any change or waiver in writing.

Misstatement of Age: If premiums are based on age and the Insured has misstated their age, there will be a fair adjustment of premiums based on the Insured's true age. If the benefits for which the Insured is insured are based on age and the Insured has misstated their age, there will be an adjustment of said benefit based on the Insured's true age. We may require satisfactory proof of age before paying any claim.

Other Insurance with Us: The Insured may be covered under only one travel Policy with Us for each Trip. If the Insured is covered under more than one such Policy, the Insured may select the coverage that is to remain in effect. In the event of death, the beneficiary or estate will make the selection. Premiums paid (less claims paid) will be refunded for the duplicate coverage that does not remain in effect.

Subrogation: If We have made a payment for a loss under this coverage, and the person to or for whom payment was made has a right to recover damages from the Third Party responsible for the loss, We will be subrogated to that right. The Insured shall help Us exercise Our rights in any reasonable way that We may request; nor do anything after the loss to prejudice Our rights; and in the event the Insured recovers damages from the Third Party responsible for the loss, the Insured will hold the proceeds of the recovery for Us in trust and reimburse Us to the extent of Our previous payment for the loss.

Physician Examination and Autopsy: We, at Our expense, may have the Insured examined when and as often as is reasonable while the claim is pending. We may have an autopsy done (at Our expense) where it is not forbidden by law.

Termination of The Policy: Termination of the Policy will not affect a claim for loss, which occurs after the premium is paid and while the Insured's certificate is in force.

Transfer of Coverage: Coverage under the Policy cannot be transferred to anyone else.

GRIEVANCE PROCEDURES

When you submit a claim and that claim is denied, we will provide a written statement containing the reasons for the Adverse Determination. You have the right to request a review of any Company decision or action pertaining to our contractual relationship and to appeal any adverse claim determination we've made by filing a Grievance. These procedures have been developed to ensure a full investigation of a Grievance through a formal process.

DEFINITIONS

A “**Grievance**” is a written complaint requesting a change to a previous claim decision, claims payment, the handling or reimbursement of health care services, or other matters pertaining to your coverage and our contractual relationship.

An “**Adverse Determination**” is a determination by the Company or its designated utilization review organization that (i) a service, treatment, drug, or device, is experimental, investigational, specifically limited or excluded by your coverage; or (ii) a facility admission, the availability of care, continued stay or other health care services proposed or furnished have been reviewed and, based upon the information provided, does not meet the contractual requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness and therefore, the benefit coverage is denied, reduced or terminated in whole or in part.

INFORMAL GRIEVANCE PROCEDURE

You, your authorized representative, or a provider acting on your behalf may submit an oral complaint to us within 60 days after an event that causes a dispute. Telephoning allows you to discuss your complaint or concerns and gives us the opportunity to immediately resolve the problem.

If we don't have all the information necessary to review your complaint, we will request any additional information within 5 business days of receiving your complaint. After we receive all the necessary information, we will provide you, your authorized representative, or a provider acting on your behalf with our written decision within 30 days after receiving the complaint and all necessary information.

If the problem cannot be resolved in this manner, you still have the right to submit a written request for the complaint to be reviewed through the Formal Grievance Procedure, as outlined below.

FORMAL GRIEVANCE PROCEDURE

A formal Grievance may be submitted by you, your authorized representative, or in the event of an Adverse Determination, by a provider acting on your behalf.

If you file a formal Grievance, you will have the opportunity to submit written comments, documents, records and other information you feel are relevant to the Grievance, regardless of whether those materials were considered in the initial Adverse Determination.

First Level Review

Within 3 working business days after receiving the Grievance, we must acknowledge the Grievance and provide you, your authorized representative or a provider with the name, address, and telephone number of the coordinator handling the Grievance and information on how to submit written material. The person(s) who reviews the Grievance will not be the same person(s) who made the initial Adverse Determination. During the review, all information, documents, and other materials submitted relating to the claim will be considered, regardless of whether they were considered in making the previous claim decision. The Insured will not be allowed to attend, or have a representative attend, a First Level Review. The Insured may, however, submit written material for consideration by the reviewer(s).

When the Grievance is based in whole or in part on a medical judgment, the review will be conducted by, or in consultation with, a medical doctor with appropriate training and expertise to evaluate the matter.

Following our review of your Grievance, we must issue a written decision to you and, if applicable, to your representative or provider, within 20 days after receiving the Grievance. The written decision must include:

Grievance

- (1) The name(s), title(s) and professional qualifications of any person(s) participating in the First Level Review process.
- (2) A statement of the reviewer's understanding of the Grievance.
- (3) The specific reason(s) for the reviewer's decision in clear terms and the contractual basis or medical rationale used as the basis for the decision in sufficient detail for the Insured to respond further to our position.
- (4) A reference to the evidence or documentation used as the basis for the decision.
- (5) If the claim denial is based on medical necessity, experimental treatment or similar exclusion, instructions for requesting an explanation of the scientific or clinical rationale used to make the determination.
- (6) A statement advising you of your right to request a Second Level Review, if applicable, and a description of the procedure and timeframes for requesting a Second Level Review.

Second Level Review

The Second Level Review process is available if you are not satisfied with the outcome of the First Level Review for an Adverse Determination. Within 10 business days after receiving a request for a Second Level Review, we will advise you of the following:

- (1) The name, address, and telephone number of a person designated to coordinate the Grievance Review for the Company.
- (2) A statement of your rights, including the right to:
 - Attend the Second Level Review.
 - Present his/her case to the review panel.
 - Submit supporting materials before and at the review meeting.
 - Ask questions of any member of the review panel.
 - Be assisted or represented by a person of his/her choice, including a provider, family member, employer representative, or attorney.
 - Request and receive from us free of charge, copies of all relevant documents, records and other information that is not confidential or privileged that were considered in making the Adverse Determination.

We must convene a review panel and hold a review meeting within 45 days after receiving a request for a Second Level Review. We will notify you in writing of the meeting date at least 15 days prior to the date. The review meeting will be held during regular business hours at a location reasonably accessible to you. In cases where a face-to-face meeting is not practical for geographical reasons, we will offer you the opportunity to communicate with the review panel at our expense by conference call or other appropriate technology. Your right to a full review may not be conditioned on whether or not you appear at the meeting.

If you choose to be represented by an attorney, we may also be represented by an attorney. If we choose to have an attorney present to represent our interests, we will notify you at least 15 working days in advance of the review that an attorney will be present and that you may wish to obtain legal representation of your own.

The panel must be comprised of persons who:

- (1) Were not previously involved in any matter giving rise to the Second Level Review;
- (2) Are not employees of the Company or Utilization Review Organization; and
- (3) Do not have a financial interest in the outcome of the review.

A person previously involved in the Grievance may appear before the panel to present information or answer questions.

All persons reviewing a Second Level Grievance involving a Utilization Review non-certification or a clinical issue will be providers who have appropriate expertise, including at least one clinical peer. If we use a clinical peer on an appeal of a Utilization Review non-certification or on a First Level Review, we may use one of our employees on the Second Level Review panel if the panel is comprised of 3 or more persons.

We must issue a written decision to you and, if applicable, to your representative or provider, within 10 business days after completing the review meeting. The decision must include:

- (1) The name(s), title(s) and qualifying credentials of the members of the review panel.
- (2) A statement of the review panel's understanding of the nature of the Grievance and all pertinent facts.
- (3) The review panel's recommendation to the Company and the rationale behind the recommendation.
- (4) A description of, or reference to, the evidence or documentation considered by the review panel in making the recommendation.

Grievance

- (5) In the review of a Utilization Review non-certification or other clinical matter, a written statement of the clinical rationale, including the clinical review criteria, that was used by the review panel to make the determination.
- (6) The rationale for the Company's decision if it differs from the review panel's recommendation.
- (7) A statement that the decision is the Company's final determination in the matter.
- (8) Notice of the availability of the Commissioner's office for assistance, including the telephone number and address of the Commissioner's office.

EXPEDITED REVIEW

Your are eligible for an expedited review when the time frames for an Informal, formal First Level Review or Second Level Review would reasonably appear to seriously jeopardize your life or health, or your ability to regain maximum function. An expedited review is also available for all Grievances concerning an admission, availability of care, continued stay or health care service for a person who has received emergency services, but who has not been discharged from a facility.

A request for an expedited review may be submitted orally or in writing. An expedited review must be evaluated by an appropriate clinical peer in the same or similar specialty as would typically manage the case being reviewed. If we don't have the information necessary to decide an appeal, we will send you notification of precisely what is required within 24 hours of our receipt of your Grievance. All necessary information, including our decision, will be transmitted by telephone, facsimile, or the most expeditious method available. Provided we have enough information to make a decision, you, your authorized representative, or a provider acting on your behalf will be notified of the determination as expeditiously as the medical condition requires, but in no event more than 72 hours after the review has commenced. Written communication of our decision will be provided within 2 working business days of the decision and will contain the same items described in the written decision requirements for First Level Reviews.

If the expedited review does not resolve the situation, you, your representative or a provider acting on your behalf may submit a written Grievance.

We will not provide an expedited review for retrospective reviews of Adverse Determinations.
